**A Message from MK Amir Peretz, Minister of Economy and Industry of the State of  
Israel  
To Mr. Merzi Sodawaterwala (Chairperson), Mr. Raviv Byron (President), Friends &  
Partners  
in the International Federation of Indo-Israel Chambers of Commerce (IFIICC)**

Shalom Israel, Namaste India, Ahlan Wa Sahlan UAE, and greetings to all!  
I congratulate and extend my best wishes and support to the International Federation of Indo-Israel Chambers of Commerce (IFIICC). IFIICC was launched in Dubai under the initiative of Chairperson Mr. Merzi Sodawaterwala and President Mr. Raviv Byron. Its objective is to provide an international platform to empower the next generation and create trusted, sustainable, strategic partnerships between Indians and Israelis around the world.

India-Israel and India-UAE ties have grown dramatically in recent months, and the normalization agreement between Israel and UAE offers tremendous opportunity for both sides. The powerful Indian business community in the UAE, specializing in a variety sectors, such as Food and Healthcare, has great potential for trade and investments in Israel.

I believe that this new era is a unique opportunity to strengthen our bilateral frameworks of collaboration and take them to the next level. The IFIICC platform will open the door to a world of business and investment opportunities in Scientific Research, Information Technology, Food & Agro tech, Healthcare & Med tech, Fintech, Homeland Security, Mobile and New Media, Advanced Manufacturing, Sustainability, Renewables & Smart Energy, Water tech and Cleantech.

I am confident that IFIICC will significantly enhance trade, economic and cultural relations between Indians and Israelis all over the world.

Sincerely,
